## **PATIENT FINANCIAL CONSENT**

Payment is due at the time of service. We ask that you pay the deductible and co-payment, which is the estimated charged not covered by your insurance company by cash, personal checks, Master-card, Visa, American Express, Discover, or Care Credit.

Please note returned checks will be subject to additional fees. In the case it becomes necessary for our office to enlist a collection service and/or legal assistance; you will be responsible for any collection and/or legal charges incurred, along with any charges associate with those agencies, and/or finance charges.

Insurance payments re ordinarily received within 30-60 days from the time of filing. If payment has not been received by your insurance company within 30 days, we ask that you contact your insurance company to make sure payment is expected soon. If after 60 days payment is not received or your claim is denied, you will be responsible for paying the full amount at that time.

We will cooperate fully with the regulations and request of your insurance company that may assist in the claim being paid. Our office will not, however, enter into a dispute with your insurance company over any claim.

### **INSURANCE**

I authorize the practice to release to staff, hospitals, health care service plans, insurance companies, self-insurers or their representatives, and all information, records and other diagnostic materials about my medical history, services rendered, or recommended treatment.

I authorize the practice to submit claims for payment for services rendered or pre-authorizations necessary to my insurance company, on behalf and in my name listed as "signature on file" and assign to the practice the insurance benefits providing assignment is accepted. I am responsible for payment regardless of coverage provided.

As a courtesy to you, we will help you process all your insurance claims. Please understand that we will provide an insurance estimated to you, however it is not a guarantee that your insurance will pay exactly as estimated. Your insurance company and your plan benefits ultimately determine the amount paid.

All charges you incur are your responsibility regardless of your insurance coverage. We must emphasize that as your dental care provider, our relationship is with you, our patient, not with your insurance company. Your insurance policy is a contract between you, your employer, and your insurance company. Our office is not a party to that contact. Our practice is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company arbitrary determination of usual and customary rates.

I have read this patient consent and agree to all terms and conditions herein.

### **PRIVACY INFORMATION**

We take pride in being able to extend a greater degree of privacy than is required by law. Federal and state privacy laws are complex. Unfortunately some dental offices try to find loopholes around these laws. For example, dentists are forbidden by law from receiving money for selling lists of patient's medical information to companies to market their products or services directly to patients without their authorization. Some dental practices though can lawfully circumvent this limitation by having a third party preform the marketing. While personal data is never technically in the possession of the company selling its products or services, the patient can still be targeted with unwanted marketing information. Kirchner Dental, (hereinafter referred to as KD), feels that is improper and may not be in the patients best interest. Accordingly, we agree not to provide medical / dental information for the purpose of marketing directly to our patients. Regardless of the legal privacy loopholes, we will never attempt to leverage our relationship with you by seeking your consent for marketing products for others.

KD has invested significant financial and marketing resources in developing this practice. Noting in this Agreement presents a patient from posting commentary about KD on web pages, blogs, and or mass correspondence. In consideration for treatment and the above noted patient protection, if you prepare such commentary for publication about KD, you exclusively assign all intellectual Property rights, including property right to KD for any written, pictorial, and or electronic commentary. This assignment shall be operative and effective at the time of creation (prior to publication) of the commentary.

This agreement shall be in force and enforceable for a period of five years from KD's last date of service to you. As a matter of office policy, KD is requiring that all patients in our practice sign the Mutual Agreement so as to establish that any anonymous or pseudonymous publishing or airing of commentary will be covered by this agreement for all KD patients. Further this agreement will service for a minimum for three years beyond any termination of KD – patient relationship.

KD and patient acknowledge that breach of this Agreement may result in serious, irreparable harm. KD and patient agree to the right of equitable relief (including but not limited to injunctive relief). Should a breach of this Agreement result in litigation, the prevailing party in litigation shall be entitled to reasonable costs, expenses and attorney fees associated with the litigation.
